OF THE

STATE BOARD OF DIRECTORS

OF THE

SOUTH CAROLINA DISPENSARY,

FOR THE

FISCAL YEAR 1903.

COLUMBIA, S. C.
THE STATE COMPANY, STATE PRINTERS.
1904.

REPORT.

Office of State Board of Directors
of the

South Carolina Dispensary

Columbia, S. C., January 1, 1904

To His Excellency, D. C. Heyward, Governor of South Carolina:

We have the honor to submit herewith a statement of the business done by the State and County Dispensaries during the fiscal year ending November 30, 1903.

By referring to the several statements attached hereto you will find that the total cost of liquors, wines, beer, etc., for the year has been \$1,997,559.47, and that the total sales (exclusive of fresh beer) have been \$2,817,998.77.

The net earnings for account of the School Fund for the fiscal year, which have been placed to its credit, amounts to \$126,266.00. The net profits that have accrued to, and equally divided between the counties and towns amount to \$512,216.35. Grand total of earnings for the year for School Fund and counties and towns \$638,482.35. Increase over earnings of last year \$71,584.02.

Two years ago the School Fund amounted to \$611,354.38, and the Act of February 26, 1902, requires us to reduce this sum to \$400,000.00, and within a few days we will have met this requirement. As we said in our last report, \$400,000.00 is an insufficient amount to conduct the business of the dispensary on a cash basis.

In conclusion we are gratified to say that the business of the Dispensary has been conducted with harmony and success in all its departments, and while the volume of business has increased we attribute it to a more rigid enforcement of the law rather than to an increased consumption of liquors. Respectfully submitted,

L. J. WILLIAMS,
Chairman.

H. H. EVANS,
WILIE JONES,
State Board of Directors.

G. H. CHARLES, Clerk.

REPORT OF LEGISLATIVE COMMITTEE FOR THE
QUARTER ENDING NOV. 30, 1903.

Columbia, December 18, 1903.

To His Excellency, D. C. Heyward, Governor, Columbia, S. C.

Dear Sir: Your undersigned Joint Committee, appointed to examine the books and financial transactions of the State Dispensary for the year 1903, beg to submit herewith our report for the quarter ending November 30, 1903. The stock on hand was taken November 30th and December 1st, by W. H. Sharpe, representing the Committee, and H. H. Evans, representing the Board of Directors. All stock was exhibited, counted and valued. We find everything in excellent shape, the bookkeeping very thorough, the system superb and a most efficient corps of bookkeepers; the Commissioner a thorough business man, courteous and obliging, whose administration has been characterized by the most striking success. We beg to state that the Board of Directors have throughout the year exercised the keenest business foresight and judgment in this great branch of the State Government. The head of each department is properly bonded. There is no friction in the management, each department doing its whole duty. Our investigation convinces us that the Constabulary for the year, under the new law, appointed by Your Excellency, has for the year been successful in a measure unequalled in the history of this institution.

We append hereunto statements: Assets and Liabilities, Profit and Loss, Cash Statement—Receipts and Disbursements.

All of which is respectfully submitted.

W. H. SHARPE,
